Planet ALLY

PLANT-BASED FOR THE PLANET

We are well aware of the impact that agriculture and the food industry have had on the climate crisis. Up to 40 % of ozone-depleting emissions come from livestock farming alone.

FOR HEALTH

Plant based foods are a healthy alternative to animal derived products.

SUSTAINABLE LIFESTYLE

We have 25 years of caring for Czech ecosystems behind us. We believe that organic food production has a major impact on sustainability.
